New Officers Take Oath at July Local 14 Meeting

Following the Local 14 elections on June 21, newly elected and returning officers met at the Amalgamated meeting on July 30 to take the oath of office.

Taking the oath of office were newly elected Local 14 President Dennis Earl, Vice President Edd McNulty, Recording Secretary Lori Schultz, Financial Secretary-Treasurer Sue Rodgers, Recreation Director Ryan Lukasik, Education Director Arthur Espinoza, Sr., Guide Jamele Perry, Sergeant-at-arms David Ringle, and Trustees Maria Braman, Ryan Baughey, and Jamaal Kirby.

Dennis Earl thanked the membership for their support and pledged to work with the members on a daily basis to keep Local 14 growing and improving. "It is a real honor to be allowed to serve this great membership," he said.

He also urged members to keep attending meetings, get involved in the union's activities, and make their opinions known on social and political issues so that the union can keep moving forward and do what it needs to do. "I hope to always be guided by your best interests," he said. "I need

you guys to help me stay there."

Local 14 President Emeritus Oscar Bunch said, "We've got a bright future here, probably the best in General Motors. We're going to keep growing." He noted he had met with a lot of GM officials over the years, and they all brag about Toledo. He also noted that a proposal to cut the hours of the Financial Secretary-Treasurer to 20 per week was unnecessary and counter-productive. "We sure don't need any changes here," he said.

Other speakers discussed this by-laws change before it was voted down by the membership by an overwhelming majority. One member commented, "If it ain't broke, don't fix it."

Members also addressed issues including pay for temporary workers at the Oscar Bunch UAW/GM Powertrain Park and the use of paper ballots in deciding issues which come up at the meetings.

Earl also discussed the many committees which Local 14 has, noted that he will be working with committee chairpersons in upcoming weeks to update committee efforts, and urged interested members join the committees and make their voices heard.

Message from the President

By DENNIS EARL

Wow, What a great car show we had, close to 2,000 cars came through. It was a perfect day to celebrate the 30th Anniversary of the Park and Shine. I would like to thank everyone who worked on this event, It was a huge success and a great community event. The people of Local 14 did it again, Thanks. Would love to see some younger members get involved with this show so we can guarantee its success for years to come. If anyone is interested in getting involved stop by and see me and I will put you in touch with the right people.

meetings. Let's get them in front of the membership so we can get everyone energized and involved. Once again, thank you for trusting me with this honor. Hope to see you at the local meetings.

In Solidarity,
Dennis Earl
President Local 14

I would like to thank everyone for their patience with me as I get acclimated to the job. What an honor and privilege it is to have the opportunity to serve this Local. I will be meeting with the local standing committee chairs soon so we can get some parameters set that will make all of the committees successful and engaged with the membership.

I look forward to meeting all the retirees at the annual Christmas party. Remember your registration form is in this issue of the Union Progress. Please fill that out and get it sent in so you are guaranteed a spot.

Please remember that your local union meeting is where you go to push new ideas and direction for your local. I am the presiding officer of the local, my job is to make sure every member has a voice and an opportunity to participate in their union. I do not make the decisions, you do at your local meetings. So, please bring all your ideas to the

Attend the Amalgamated Meetings

All active and retired members of Local 14 are eligible to attend the Amalgamated meetings. These meetings are held 4 times a year at 9 a.m. on the 4th Sunday of January, April, July, and October. Next Amalgamated meeting is October 22.

Community Services Dept.

The Community Services Department develops programs and materials to help both working and unemployed UAW members and their families in the areas of health and social services. The department trains local union Community Services Committees and union counselors who can then link members and their families with health, financial, or other problems to the government and private agencies who can assist them. It also helps UAW locals run Employee Assistance Programs.

The department works closely with the UAW Strike Assistance Department in helping UAW members during a strike and plays an activist role in many agencies, coalitions, and community groups.

From the Financial Secretary-Treasurer

By SUSIE RODGERS

Dear Local 14 Brothers and Sisters:

The fall weather seems to be approaching and soon the leaves will turn beautiful colors. The kids will carve pumpkins and take hay rides through the apple orchard. Fall is a beautiful time of year and I hope you have the chance to take advantage of the beauty it brings.

When I campaigned for this

job I talked about creating a membership survey to find out what Local 14 members want out of their union. The survey is complete and will be distributed to the full membership. Please take some time to fill this out. We want your ideas, suggestions and comments. This is your union. Help us build it and create a future that benefits the membership.

Our Merrill Lynch actual account balance on 8/31/17 was \$2,953,157.10 and the book value was \$2,864,098.89. The actual value on 8/31/17 was \$89,058.21 more than we can report on the financial statement. This is our unrealized gain and if we cashed in our account at the end of the month we would be paid \$2,953,157.10. The monthly gain for August was \$4,416.03

and the year to date gain was \$170,724.57.

This past Sunday we held the annual Park N Shine at the Oscar Bunch Park and took donations to help offset the cost of workers in the park. The new Executive Board made this decision but the event was planned and advertised long before they were established. The collection brought \$567.08. In the future we will make sure the event is publicized in advance that we are accepting donations. Thank you everyone who helped with the collections.

Our light bill for July was \$1,825.31 this was higher than last year, so I had a conversation with everyone that uses this building including the maintenance and office staff. I explained the importance of controlling costs in this building for the best interest of everyone.

I had a meeting with Merrill Lynch and we discussed our current investment package to make sure we are earning money and to see if we have any options to expand our investments but stay within the International guidelines. As you can see our current package is making a good amount of money and we agreed to stay with this for now.

Guardian Alarm trained me on the use of cameras and security system for the building. Dennis and I met with Huntington Bank and removed all old names on the account and replaced them with ours. We also discussed that they remove charges for stop payment fees on checks. This was done and I am currently working on removing monthly service charges from the account.

We have several organizations and charities using the building on a daily, weekly and monthly basis with little or no cost. I have put this on the Executive Board Agenda to review and discuss at this month's meeting. I will keep the membership informed on the decisions they make on this and all future plans.

In June we had some wind damage and lost some of the siding on the back of our building in the bar area. We contracted SMB Construction to do the work and our insurance company covered the \$16,000.00 cost. We paid the deductible of \$1,000.00. We recovered the old aluminum siding and received nearly \$300.00 to use toward the deductible. The work is complete so if you have a chance, stop by and take a look at it.

The brackets for the two glass entry doors to the upstairs hall were bent so I went to North-

By SUE RODGERS

wood Door and purchased new ones for \$40.00. The maintenance man installed the brackets saving the union \$250.00 for a service call.

Throughout the year we incurred problems with the air conditioners for the upstairs and downstairs hall. The work was contracted with Dimech Services. After conversation with our maintenance and reviewing the past invoices they overcharged us for May repairs. I spoke to the owner of Dimech and they agreed we pay for parts only on this repair saving our union \$909.00. We also had repairs in July on a separate unit and I arranged to pay for parts only on this saving our union an additional \$1,100.00.

Our website will soon have a new look and will reflect the International Union site. This will provide the membership with more information and I think it looks more inviting than the old one.

The annual event known as the "Clam Bake" will be held on September 30, 2017 at the Tam O' Shanter in Sylvania, OH. Local 14 membership voted to purchase and reserve 20 tickets on a first come basis, they are available at the door. This includes free food, music and games for the kids. We do not have tickets available at the Local 14 Union hall. The region puts this on and has handled this event the same way for years.

Thank you for your patience during this learning period of my new position. I appreciate Local 14 membership and feel it is a privilege to be of service to you. I work for Local 14 membership and with your help we will build your future of this union. Please call upon me for any of your needs.

In Solidarity,
Sue Rodgers

Local 14**Education Committee****Art Espinoza***Local 14 Education Director*

First I'd like to introduce myself, I am UAW Local 14's newly elected Education Committee Director Arthur Espinoza. I have been an employee at GMPT for more than 5 years, 4 of which I have dedicated as an Education Committee member under Sue Rodger's tutelage. I am currently an electrical apprentice and I am attending Owen's Community College to earn my Journeyman's Card. I look forward to serving my Local and the membership.

I must give my thanks and gratitude to several people for their assistance with the Park and Shine this year. Dawnya Ferdinansen, Jim McGill, Ryan Baughey, Kim Baughey and Jamele Perry; these 5 volunteered their time to man the Education and Union Label Booth as well as helping to sell raffle tickets. Thank you all very much for your help, without it we would not have been as successful.

The Education Committee hit the ground running this year joining with other committees

from both the local and the unit collecting school supplies and funds in excess of \$2000 for local area students. We set up a booth with other committees to pass out union made chips, candy and bottled water to the Park and Shine attendees and sold 50/50 raffle tickets. We would not have been able to achieve this if not for the other committees. We will start buying supplies and assembling book bags soon. We have several requests from local area schools to provide much needed school supplies for their students.

Moving forward, it is our intention to work with the other committees as often as possible, working as a union, not as separate committees, to increase union awareness and participation in our community. Common goals we all have is that we want to correct the mistakes of the past, provide a future for our membership and work together to achieve more. We have many new faces who are eager to accept the torch and run with it. It is my hope that we will serve the membership to the best of our abilities.

Future fund raisers will be

**Art Espinoza**

held and postings will be made throughout the plant. There are positions available on the Education Committee for anyone who is interested. Please feel free to contact me via email at arthurt.espinosa@yahoo.com or through Facebook, look for Arthur Espinosa. Please note the difference in the spelling of my name, it is a long story but an interesting one.

Thanks for School Donations

The Local 14 UAW Education Committee would like to thank everyone who donated to the School Supplies Collection that was held on August 16-17, 2017. We collected a total of \$2,032.20. This money will be used to purchase school supplies to be given to local school districts in Ohio and Michigan for kids who need them.

Thank you tremendously for your generosity!
Sue Rodgers

Innovation Ohio

Innovation Ohio is a nonpartisan organization dedicated to promoting public policy that moves Ohio ahead without leaving some of its people behind. We advocate policies that strengthen the middle class, protect the less advantaged, equalize opportunity, and ensure that businesses large and small have the tools they need to innovate, compete, and create well-paying, long-term jobs.

Innovation Ohio will: • Deploy an army of policy experts, academics, and practitioners into policy debates so that the progressive

voice is heard and middle class values and interests are heeded.

- Generate and distribute thoughtful, real time policy analysis and commentary to the media, opinion leaders, elected officials, stakeholders and the general public.

- Ensure that reckless and counterproductive policies and proposals do not go unchallenged.

- Offer alternative policies that promote economic opportunity for all Ohioans and act as a policy and research hub for the progressive movement in our state.

Union Label Committee

By JAMELE PERRY

Greetings Sisters and Brothers from the Union Label Committee.

September is here and the fall season is quickly approaching. Continue to check out information and updates on our Union Label bulletin board in the plant or our Union Label FB page. Social Media, display boards and banners are effective ways to reach our membership and others on Union Label information.

Here is a brief Origin and History of the Union Label

The invention of the union label concept is attributed to the Carpenter's Eight-Hour League in San Francisco, California which adopted a stamp in 1869 for use on products produced by factories employing men on the eight- (as opposed to ten-) hour day. In 1874, that city's unionized cigar-making workers created a similar "white labor" label to differentiate their cigars from those made by poorly paid, non-unionized Chinese workers. The concept of the union label as a tool for harnessing support from fellow working-class consumers for unionization spread rapidly in the next decades, first among the cigar makers (their union adopted the first national union label in 1880), but among other unions as well, including typographers, garment workers, coopers, bakers and iron molders. By 1909, the American Federation of Labor had created its Union Label Department.

Our Union Label committee had a chance to participate in the Toledo Labor Day Parade. Lenette Holden, UL Secretary, and I designed our banner. Gwendolyn Yarbrough Gordon, Frank St. Amour and myself had a chance to drive in the parade

Jamele Perry

with our UL banner proudly displayed for all to see. Many people at the parade waved and yelled, "Hi Local 14 Union Label. Look for the Union Label"

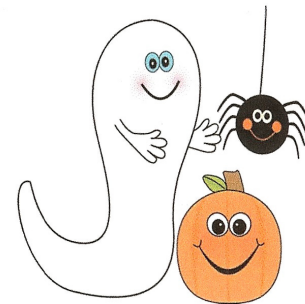

Our committee members all contribute to our mission of promoting the Union Label. Desiree Williams does our Holiday info. Gwendolyn Yarbrough does our crafting info. Lenette Holden, our secretary, keeps us informed. Debby Hoppert, Richard Roach, Frank St. Amour, Starlisa Butler and Denise Rock all contribute ideas and info to help us to be productive as a committee. Recently we worked with the Education committee to promote made in the USA/ Union made school supplies. And we joined the Education Committee, on September 10, 2017 at the Park and Shine Car Show to promote the Union Label as well. Much thanks to them. And finally thanks to all the Local 14 members who actually assemble the Union assembled product, YAY for the UAW. Look for the Union/USA Label when purchasing products and services!

Local 14 Retirees

Hello Brothers and Sisters,
Let me say summer has really gone by fast, hope you enjoyed yours. We are still in need of someone stepping up for the office of Vice President of the Retiree's Chapter. Hopefully someone will do so. We had one person express an interest and

we will let you decide on that person at our October meeting. We would like to thank Jamaal Kirby, Tony Totty and others who prepared a thank you bar-b-que at the park for the retirees in appreciation for the legacy you left at the plant and the union. We announced the

picnic, however very few retirees attended. They plan to make this an annual thing, so be prepared to attend next year.

This past month has been a hectic month for me; my wife has had two surgeries and is currently in a coma from the last one. We ask for your prayers as the family goes through this time of hopeful recovery.

If any of you retirees have an announcement about your children, grandchildren or yourselves that you would like to acknowledge in the Union Progress, let either me or the union hall know and we will get it in the next issue.

The benefits representative from the UAW International was at our August meeting to give us updates on our benefits. There were many questions. Be reminded, as she stated at the meeting, in January 2018 all Ohio retirees will be switched to Aetna. If you want to remain with Anthem Blue Cross Blue Shield you must let the benefits office know you wish to remain with them.

We would like to thank Paul Lee for making a proposal and serving lunch at our August meeting. Lunch was enjoyed by all. Again if you know of anyone who would like to cater, let us know. We had a notice in the last issue of Union Progress, seeking caterers who might be interested. Diane Benton will serve at our October meeting.

The Labor Day Parade was well attended as was the Park n

Shine, we thank everyone who participated and who made these events successful. Our September meeting was scheduled to take place in the Oscar Bunch UAW GM Family Park, but it had to be moved to the hall due to the construction and the parking, also the weather was not the greatest. But, Thank You Ladies for bringing your sweet side dishes!

Different ways to have your voice heard

It's always important to know what our leadership's message is. Their ability to communicate a clear goal and how we as a union can execute the goal often determines whether or not we will be successful. Our leadership can't do it alone, they need all of our help. Our input matters and helps shape the direction of where we are going as a union. The following are ways to let our leadership know your concerns on issues that affect us all.

• **Attend union meetings-** This is the best way for us to talk about our issues collectively and try to come up with an un-

derstanding of where we are at and how we want to go forward.

• **Put in a committee call-** If you have an issue with what's going on or are concerned about what might happen put in a call to voice your concerns.

• **Contract Demands-** During contract time put in a demand and try to make it more than a one liner. Explain in more detail what you want and why. This is an opportunity to add or delete something in the two contracts. Remember there are local demands that are for our facility and national demands that effect all facilities.

• **All employee meetings-**

Ask questions at all employee meetings of management. Its better when we all hold them accountable for their actions.

• **Surveys-** Sometimes there are surveys that go out to see how our location is performing, take this time to let management know.

• **Team Meetings-** Team meetings are a good way to talk about what affects us on a daily basis. This is a good time to build consensus amongst your team to amplify your voice.

• **LEAD Topics-** When a LEAD topic comes out talk to your learning leader. Let them know what you think about it. Your input is shared with local leadership and a report is sent to the international union whenever there is a LEAD topic.

The union is only in existence because our founders spoke up and took action. Don't let your voice be muted. Speak up through these various channels and we will be even stronger because of your efforts!

Trustee Message

Maria Braman
Local 14 Head Trustee

Hi! I would like to thank the members for electing me to be one of the trustees for our Union. I was born and raised in Toledo. My father, Al Torres, is currently employed here at the plant. He was hired at GM right after graduating from Swanton High School.

Maria Braman

I graduated from Whitmer High School and University of Toledo with an Associate's Degree in Accounting.

I was hired at GM in 2012. I work in Case Sub Mainline 2 RWD on second shift. I have many years to work before I retire so I decided that I needed to get involved with the Union to be a part of an action instead of wishing for things to change. I went outside of my comfort zone and ran for trustee. It was scary putting myself out there but it has been so worth it. Imagine if everyone felt that way. How are we to get ideas and suggestions if there is no participation?

a mechanical engineer for Dana Automotive.

My stepdaughter, Leah, is attending University of Toledo for bioengineering.

My four year old, Maizen, wants to be a doctor superhero cowgirl when she grows up.

Yes, I am a Michigan fan. Go Blue!

Please feel to free to contact me with any concerns.

In solidarity,
