39th UAW CONSTITUTIONAL CONVENTION - DELEGATES REPORT

The 39th UAW Constitutional Convention was a very pivotal convention shaping the future of all UAW represented members, “Our Generation’s Defining Moment.” Before addressing the content of the convention; we, your elected Delegates would once again like to take this opportunity to thank the membership. Without your support we would not be able to attend this historic convention. UAW Local 14 is the only local to be represented at all 39 UAW Constitutional Conventions.

There were nearly 900 delegates at this convention acting on over 700 amendments and resolutions during the four-day gathering. Included in the convention were numerous speakers with inspirational messages. One group that stood out was UAW Local 42 VW, Chattanooga, TN. They received one of four Social Justice Awards for their long battle to organize and ratify an agreement with VW in the South. We also nominated a slate of candidates for the 2026 UAW IEB (International Executive Board) mail-in ballot election. All three of your Elected Delegates were able to go to the mic and assist Rhoni Clark with the nomination of our very own UAW Local 14 President Tony Totty for Vice President. Best of luck to Tony Totty and his endeavors to become one of the IEB’s VPs in the upcoming election.

LOCAL 14 ELECTION COMMITTEE COMMENDED FOR SUCCESSFUL LEADERSHIP ELECTION

UAW Local 14 extends its sincere congratulations and gratitude to the members of our newly elected Local Election Committee. Chosen directly by the membership, these dedicated individuals stepped forward to take on the vital responsibility of organizing, overseeing, and carrying out our local’s most recent leadership elections.

The Election Committee operates as a cornerstone of our local union’s democracy. Entrusted with maintaining the highest standards of integrity, transparency, and fairness, the committee worked tirelessly behind the scenes to ensure that every eligible ballot was accurately accounted for. Running a democratic election requires meticulous planning, strict adherence to our bylaws, the UAW Constitution and a deep commitment to our membership.

Because of their hard work and attention to detail, the entire process was executed smoothly and professionally. Please thank our Election Committee members for their outstanding service, their commitment to democratic principles, and their continued dedication to our Local.

CONSTITUTIONAL CONVENTION

The 39th UAW Constitutional Convention was held in June with 846 Delegates packed into one room representing Local unions across the globe. Working through the number of resolutions and steering them toward approval is a task.

To truly understand what goes on behind the scenes, it helps to understand the process. Long before the convention begins, Local Unions submit proposed resolutions to the International Union ahead of a strict deadline. The International Union then appoints a committee to review every submission and prioritize the issues they deem most vital to our membership.

Out of the massive stack of resolutions submitted from across the country, only 19 resolutions were ultimately selected by the committee to be brought forward. Adding to the challenge, most of these chosen resolutions were submitted directly by International Officers, with no individual name attached to them. If the Delegates want to pull out Resolutions that were not in their proposed book,

UAW LOCAL 14 TRUSTEES REPORT

Financial Review: July – December 2025

On February 17th, 2026, the three elected Trustees for UAW Local 14 completed the required semiannual audit for the period of July 1, 2025 – December 31, 2025, with the assistance of the Financial Secretary Sue Rodgers. We reviewed all pertinent financial statements and reports from all the financial intuitions. In addition, we physically went to the bank and secured copies of the bank statements for the period audited. Various supporting documents including but not limited to deposit slips, lost time vouchers, cashed checks and receipts were reviewed for authorization and required signatures. We verified that all taxes and other financial obligations were paid in a timely fashion.

We found that all the prepared financial statements were in good order without errors or omissions. All funds, accounts, expenditures and deposits were accounted for. The books and records were in excellent condition. The office staff should be commended for their hard work and attention to detail.

We completed our annual inventory on February 18, 2026, and this was incorporated into the LM2 and

990 tax returns that were timely filed. We verified that all items on the inventory list were accounted for by physical inspection or disposed of properly. In conclusion, we found the Membership’s assets in good order.

Humbly Submitted for the Membership,
UAW Local 14 Trustees
Russ Pinkard
Gregory Pollick

PRESIDENTS REPORT

BY TONY TOTTY

I hope this report finds you and your family well. First, I want to thank the membership for placing your confidence in me and electing me to another term as President of UAW Local 14. I truly appreciate each and every one of you. I also want to congratulate everyone who was elected to serve our local union. We are fortunate to have the opportunity to carry on the proud legacy of a great union like Local 14.

We recently returned from the 39th UAW Constitutional Convention. Local 14 has had a delegate at every UAW convention dating back to 1935, and our members should be proud of this year's delegation. Dan, Rhoni, Russ, and Peggy were present throughout the entire convention and spoke several times in support of resolutions submitted on behalf of our membership. Thank you for your service to Local 14 and to our entire union.

Nominations for International Executive Board positions also take place during the Constitutional Convention. I accepted the nomination for Vice President of the UAW. I did not make the decision to run lightly. Serving as President of UAW Local 14 has been the honor of my lifetime, and I believe we have the best membership I have ever been a part of.

I am running because I have never been afraid to stand up, speak out, and fight for our members. I am also concerned that our current leadership may not push hard enough to address the challenges fac-

ing our membership. I deeply appreciate the support I have received from our members, and I will never forget where I come from or the people I represent.

We have also begun the process of negotiating a first contract for our Value Point members. We are confident that we will secure an agreement that provides these members with the dignity, respect, and protection they deserve in the workplace. We recognize their courage in standing up to unfair treatment by management. They followed the example set by our founders 90 years ago: they decided they would no longer accept poor treatment. We will continue to keep the membership informed as negotiations progress.

We are happy to inform you that we will have an open house on Saturday, September 19th. Trolley's will be available to drive you through the facility. Recently, we have had many upgrades to the facility thanks to Jeff King and the Shop Committee. Please come and see what your legacy has created!

Lastly, we are trying something new for Labor Day. Following the parade, we will hold a UAW Labor Day celebration at Promenade Park in downtown Toledo. The event will feature food and beverages, bounce houses for the children, a DJ, a lineup of speakers celebrating labor, and much more. Labor Day shirts will also be available for attendees. Please join us and be part of the celebration. I look forward to seeing you there.

In Solidarity,
Tony Totty
UAW Local 14 President

FINANCIAL SECRETARY REPORT

BY SUE RODGERS

Greetings Members of Local 14 UAW.

As of June 30, 2026, our RBC Bank account maintained a strong market balance of \$2,982,489.79. While our Financial Statement reflects a book value of \$2,637,989.68, it is important to know that the actual market value of our investments is \$344,500.11, higher than our reported cost basis. This difference represents an

unrealized gain in our portfolio; this is an indicator of healthy growth and strong investment performance. To put this in perspective, had we chosen to liquidate our investments on June 30, 2026, the total payout to the Local would have been the full market value of \$2,982,489.79.

Local 14 UAW extends our heartfelt congratulations to Tony Totty on his nomination to run for the International Vice President position. We are incredibly proud of him and deeply thankful for his unwavering dedication and hard work to our Local Union. This is truly a bittersweet moment for us. Tony is the most dedicated member and President that I have seen in my 22 years of service. While he would be an advocate for all of us at a higher level, bringing immense positive impact and welfare to both active and retired members, we would certainly hate to lose his day-to-day dedication here at our Local. Every active and retired member in good standing will have the opportunity to participate in this important election through the upcoming mail-in ballot system. Please keep a close watch on your mail for your ballot arriving in late August. Please keep in mind that your completed ballot must be received by the International Union by October 5, 2026, for your vote to be counted. Official tabulation and the voting count will begin the following day, October 6, 2026.

At the Constitutional Convention a vote was passed to maintain monthly "Active" members union dues at the current rate of 2.5 hours of pay. To calculate your monthly dues, simply take your base hourly rate of pay and times it by 2.5. The threshold for the strike and defense fund has been raised to \$1.3 billion. This means the strike fund will need to reach this new target before an automatic adjustment would take effect to revert monthly dues back to the 2-hour rate. While keeping the current dues rate active was a point of debate on the floor, the decision was ultimately made to build up a more robust defense fund to maximize our leverage and readiness for upcoming bargaining campaigns. Retiree members' dues will remain voluntary at \$3.00 per month.

If you are still waiting for your Michigan state tax refund, you are not alone, thousands of taxpayers across the state are facing the exact same head-

Sue Rodgers**CHAIRMAN'S REPORT**

BY JEFF KING

As of writing this, the final phase of the Special Attrition Package negotiated in the 2023 UAW/GM National Agreement has been rolled out. Over one hundred of our members have chosen to take advantage of this.

What makes this SAP different than any of the others is that there were three phases, each taking place in different years of the agreement rather than all in one year. This final phase is even more unique because the members that signed up for it could leave any time between October 1st of this year all the way up to March of 2028. And, like all other SAP's, management determines the date that these members can retire.

It's a special time for these members as they get to enter a new chapter of their lives after years of dedicated work at General Motors and I want to congratulate each and every one of them. General Motors has introduced new initiatives to change the whole culture of Safety in all GM plants.

Shop Chairman
Jeff King

Our plant has been selected to pilot this new program because we are one of the top facilities in the world for safety culture. This is a huge honor for the Toledo Propulsion Systems family to be selected to lead this program. Congratulations to our membership for proving that safety is everyone's responsibility.

As I'm sure everyone is aware, General Motors continues to add more and more investments to the Toledo facility. This is recognition from GM that we have and will continue to build the world's greatest quality transmissions. It's a testament to the great people that work and who have worked at the Toledo plant.

I want to wish you all a great end to your summer and remind everyone to stay safe.

ache. The delay is primarily due to a major upgrade by the Michigan Department of Treasury, which recently retired their 40-year-old computer system. While their new system is built to better protect against identity theft, it is incredibly strict; even the smallest mismatch or routine review automatically flags a return for time-consuming manual inspection.

Please know that my door is always open, and I am always here to listen, support, and help in any way I can.

CHAPLAINCY COMMITTEE

BY VAUGHN PATTERSON

Standing Together in Faith and Community

As we navigate both the triumphs and challenges of daily life, the UAW Local 14 Chaplaincy Committee remains dedicated to serving as a source of comfort, support, and encouragement for all active members, retirees, and their families.

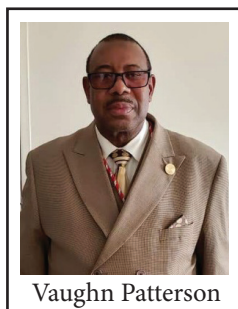

Our chaplaincy team is always available to offer a confidential listening ear, prayer, visits, or moral support during difficult times. Whether you are facing a health trial, the loss of a loved one, or simply going through a tough time. We are here to help!

If you or a family member is hospitalized or recovering at home, please let us know so we can extend our support. We offer our deepest sympathies to all members who have recently lost family members, and we are here to support you through the grieving process. No matter what you are carrying, please remember, you don't have to carry it alone.

Brotherhood and sisterhood go far beyond the workplace. Looking out for one another's emotional and spiritual well-being is at the core of true union solidarity.

If you know of a member in need of prayer, visitation, or support, please reach out to the union hall or contact a member of the Chaplaincy Committee directly. Again, we are here to support you and help you get through this together.

In Solidarity and Compassion,
Vaughn Patterson
Local 14 UAW Chaplain

the evening was a celebration of solidarity and glamour.

Beyond celebrating, our committee remains deeply committed to making an impact on where we live and work. Because of the overwhelming success of the Gala, we were proud to present a \$750.00 donation to the Zepf Center right here in Toledo, OH! We also found this to be an appropriate place for our donation because we have one of our very own retired members working there.

The Zepf Center provides vital behavioral health, addiction recovery, and support services across our local community. Being able to support their mission is a direct reflection of what Local 14 UAW is all about, lifting others up and giving back.

A huge thank you to everyone who attended, volunteered, purchased tickets, or helped organize this year's event. Your dedication made this contribution possible, and we look forward to continuing our work and serving our community together!

council have is vital to our survival as a union. We know by looking at our history that Civil Rights have always marched hand in hand with the labor movement. This midterm election cycle and coming Presidential election cycle mark the importance considering the pain points that this country is currently going through. ICE, detention centers, voter suppression, women's rights, LGBTQIA Rights, and health care. All of these are things that the department and we as the union labor movement should be looking at because if we don't, we are likely to lose the benefits that we worked so hard to receive over the existence of our union. These were things that President Fain spoke to as well as our history as he bid the council a warm welcome as we began our work.

This was the perfect time for the CAP Department International Representative, Gina Liburdi, to speak to us regarding the activities in the CAP Department. Sister Liburdi said that we as a union should be looking at the four pillars of dignity including wages, healthcare, retirement and time. Every working person should receive a living wage. President Fain said that he was told for the longest time that we would not be getting COLA back in our contractual bargaining agreements, CBAs, but he and our national bargaining team proved them wrong.

Second, our universal health care has been a topic for many years and as the most developed country in the world how do we not have this other than corporate greed over the price of LIFE, or Medicare for all. We know that this has to do with the paid corporate lobby firms within the medical and big pharma that get our elected representatives to side with them along with false information fed through any number of communication venues.

Third, retirement is on the table for discussion as some members have pensions under the pre-bankruptcy contracts while others don't. This is not allowing those the labor movement, unionists, or non-union people to enjoy retirement as it keeps us all working for more years. Thirty and out was so we could enjoy our retirement years but now with the age of social security benefit age increases along with inflation and the lack of all members having a pension people are having to work more than thirty now more into 40 or more years. Fourth, time away from work because there is no typical work week that is not a life for anyone.

One of the other activities during the meeting was a historical look at Solidarity House led by Georgi Bargamian, International Representative of the UAW Communications Department. Georgi told us that the land that the Solidarity House rests on used to be the home of a lumber railroad and real estate tycoon Albert L Stevens. The deed passed to a name we of the Big Three know very well, Edsel Ford. The UAW purchased the land from the estate after Fords passed and sold by his wife. Walter Reuther then made it his mission to build the Solidarity House on the site with efforts of his long-time friend and designer of the edu-

CIVIL & HUMAN RIGHTS COMMITTEE

BY BRIAN VAN PELT

Thank you to the membership and leadership for supporting Director Green in my appointment to the National Advisory Council as Region 2B LGBTQIA Chair and allowing me to attend our Spring 2026 National Advisory Council on Civil and Human Rights, NACOCHR, meeting that was held April 10-12, 2026.

The bylaws of NACOCHR state under Article 7 Section 2 that, "The council shall meet twice a year. The exact time and date shall be scheduled by the International President and arranged by the National Civil and Human Rights Department. Additional meetings may be scheduled as deemed necessary by the International President."

The Spring meeting is where we give regional reports and more importantly the council and department jointly plan for our education conference at the Walter and May Reuther Education Center at Black Lake. We use this facility for our second meeting as required by the council bylaws as this is where we hold our triennial elections for the council. Council meetings are held before the conference begins and then after sessions and between sessions at the conference. This year's spring meeting was held in Detroit at Solidarity House.

It is especially important that all members are present at the meeting as this is the time when we get together and report on our findings and activities from the nine regions of our UAW. The amount of importance that this standing committee and

cation center at Black Lake, Oskar Stonorov, and architect Hugh T Millar. Stonorov was the designer of the bronze statue that stands in front of the Solidarity House titled the Builder. The Builder represented the working people as the statue is dressed in working clothes and shoes with an implement in hand, the new deal, to give working people equality in the workplace.

Georgi then took us to the Board Room, and the best room was the Scandinavian Room. This is where the contract talks took place for the Bargaining Team with GMs Bargaining Team and what are called the terms of surrender. This room had an original table made from lumber from the original house that Walter Reuther repaired, and it was at that table that Mary sat across from our Chairman, Jeff King to sign this current agreement and a picture hangs in the room of that very scene.

We took the second day of training where we went through the newest training that the department has that will be part of this year's training courses during the Civil and Human Rights Education Conference. We were all trained but chosen members of the council will be instructed on this course. The course is around LGBTQIA+, and it is a very encompassing training course regarding the community. The course gives knowledge of things that I did not know being part of the community and for that I give thanks to our Civil and Human Rights Department for a job and training well done. This course, along with ten others, is part of the conference offerings, but we also had to discuss the activities and potential speakers for the conference. The department, again there are three people to represent over a million members and provide training and information on Civil and Human Rights topics. Besides this training they have also redesigned handouts to be single pages rather than the trifold and they are working on others.

On our final day, we took the time to discuss between the National Advisory Council and the department, who would be good speakers for the event as well as other things to be seen at the 40th Annual Civil and Human Rights Education Conference. These things are what we discussed about having a great conference and how we closed out our weekend activities. So, for our members, please hold on to a great conference this year and I hope to see our members there.

UNION LABEL COMMITTEE

BY JAMELE WALKER

It is my pleasure to report on behalf of the UAW Local 14 Union Label Committee. My name is Jamele Walker, Union Label Chairperson. With the support of Jim McGill, Education Committee Chairperson, and Willie Hall, Civil and Human Rights Committee Chairperson, alongside our

Jamele Walker

dedicated committee members Lori Schultz and Carol Brownlee Julious, our recent bus trip to the Henry Ford Museum and Greenfield Village was a success.

During the 2023 collective bargaining agreements, UAW members officially secured Juneteenth as a paid holiday. On June 19, 2026, UAW Local 14 members, siblings, friends, and family joined together for this special trip. While Juneteenth celebrations across the country traditionally include parades, family gatherings, block parties, and musical performances, it is fundamentally a time to reflect on our nation's history and the ongoing pursuit of freedom and equality.

Our trip was filled with powerful educational and historical experiences:

- **Literary Highlights:** At The Henry Ford Museum, author Alliah L. Agostini presented two of her books, *The Juneteenth Story: Celebrating the End of Slavery in the USA* and *The Juneteenth Cookbook: Recipes and Activities for Kids and Families to Celebrate*.

- **The Jackson Home:** We had the privilege of visiting the historic Jackson home, which officially opened to the public at Greenfield Village on June 12, 2026. The home preserves a vital chapter of the Civil Rights Movement, honoring Dr. Martin Luther King Jr., alongside the leaders and families who helped shape American history.

- **Living History:** Located in the "With Liberty and Justice for All" exhibit, we viewed the fully restored 1948 GM bus. Standing before the vehicle where Rosa Parks refused to give up her seat. This was a defining moment in the Civil Rights Movement and served as a profound inspiration to continue the fight for justice and equality.

- **American Manufacturing:** The museum's "Made in America" exhibits prominently displayed a 1924 Ford Model T. Additionally, several General Motors displays were showcased within the impressive "Driving America: Driven to Win" exhibits.

- **Union Label & Domestic Goods:** True to our mission, we visited the Henry Ford store, which featured an excellent selection of apparel proudly made in the USA. On display and available for purchase were iconic "Rosie the Riveter: We Can Do It" t-shirts and "Dream Like a King" sweatshirts, alongside a "Detroit: The City of Hot Rods & Muscle Cars" poster lining the wall. There were several General Motors displays including its Driving America Driven to Win.

As the Union Label Committee, we want to take this opportunity to encourage everyone to pay close attention to where products are manufactured. Please continue to support union made and Made in the USA products and services whenever possible. Supporting union labor directly strengthens working families and our communities. Thank you for your continued support of the UAW Local 14 Union Label Committee. We look forward to seeing you all at our next event!

Thank you, have a wonderful day, and as always—

In Solidarity,
Jamele Walker

MEMBER SPOTLIGHT

Rhoni Clark is the focus of this Member Spotlight. I see Rhoni almost every week at the union hall, so it was easy to sit down and have an enjoyable conversation about her career, her involvement in our union, and the different roles she has held over the years.

Rhoni is serving her third term as Recording Secretary for both UAW Local 14 and the GM Unit. She has also represented our local as a delegate at the last two UAW Constitutional Conventions.

Rhoni began her career with General Motors 42 years ago at the Delco Moraine plant. At the time, she was a college student and was not sure she would last in what she described as “That hot plant.” Fortunately, the people around her were helpful and supportive. She stayed, built a long career, and eventually became an important leader within our union.

Rhoni became more active in the union after transferring to UAW Local 31 in Kansas City. That experience helped prepare her for greater involvement when she later came to Toledo. She has always had a passion for bringing people together and creating activities for children, which made Local 14’s Recreation Committee a natural fit for her.

When it came to running for elected office, Rhoni credits Sue Rodgers and me with encouraging her to take that step. We knew she would do an outstanding job because of the thoughtful input she regularly provided during union meetings. Her passion, dedication, and attention to detail were easy to see.

I later learned that Rhoni studied business administration and trained to become an executive assistant. That background helps explain why the minutes she prepares for our meetings are always impeccable. However, the responsibilities of the Recording Secretary go far beyond taking minutes. Rhoni must also verify every financial transaction made by the local union. It is a major responsibility, and one she takes very seriously.

Because Rhoni belonged to other local unions, I asked her what she appreciates most about UAW Local 14. She said our local has many passionate members who want to see the right things happen. She emphasized that our union is not about any one individual, it is about all of us working together.

Rhoni and I recently attended the UAW Constitutional Convention, where she

was kind enough to nominate me for the position of International Vice President. Our two other delegates, Russ and Dan, joined her at the microphone. I asked how this convention differed from the first one she attended. She said this convention was amazing because she had a much better understanding of the process and could truly appreciate the energy in the room.

Nearly half of the delegates were attending their first convention, and Rhoni helped several of them understand the procedures and become comfortable participating. She said that, as she reaches the later years of her career, seeing so many newer members step forward was extremely encouraging.

Our conversation turned toward the importance of developing newer members. Rhoni believes we have a responsibility to teach them about the sacrifices previous generations made so they could enjoy the wages, benefits, and protections they have today. They must also understand that they may be called upon to make sacrifices of their own so future generations can have even greater opportunities.

When I asked what advice, she would give to members who want to become more involved, Rhoni said, they should tap into whatever excites them. Our union offers many different committees, programs, and opportunities, and there is a place for everyone to contribute.

Lastly, I asked Rhoni what solidarity means to her. Her answer was simple but powerful: “Whether we agree or disagree, we are on the same accord.” I really appreciated that answer.

I am grateful for the opportunity to talk with my friend about her career and our great union. Thank you, Rhoni, for your service, your leadership, and for sharing your passion with the members of UAW Local 14.

2026 UAW International Officer Election

Pursuant to the Consent Decree issued by the United States District Court for the Eastern District of Michigan in the matter of *United States v. International Union, United Automobile, Aerospace, and Agricultural Implement Workers of America*, 20 cv. 13293 (DML-RSW), the Court-appointed Monitor of the UAW will supervise the 2026 UAW International Officer Election (“Election”). In consultation with the UAW, the Monitor has developed detailed election rules and methods for the Election (“Election Rules”). The Election will be conducted by secret mail-in ballot later this year.

The offices to be filled through the Election are the offices of **International President**, **International Secretary-Treasurer**, three (3) **International Vice Presidents**, and nine (9) **Regional Director** positions. UAW delegates to the 2026 Constitutional Convention (June 15-18, 2026) will nominate Candidates for these offices, and mail-in ballots will be distributed to UAW members beginning in late August 2026.

To ensure that you receive a ballot package for the 2026 Election, please provide or confirm your mailing and e-mail address information to your Local Union or complete the form on <https://myinfo.uaw.org> as soon as possible and advise your fellow members to do the same.

All UAW members in good standing as of **September 30, 2026**, are eligible to vote in the Election, including members who are part-time workers, reinstated members, and retired members.

In order to have your vote counted in the Election, your mail-in ballot must be received by the final deadline of **October 5, 2026**. It is strongly encouraged that all return ballots be placed in return mail by **September 25, 2026**, to ensure arrival by the deadline.

The UAW Constitution and Consent Decree enumerate eligibility requirements to run for or hold International Office, which are also set forth in the Election Rules. Among other requirements, a Candidate must be an active, non-retired member in good standing for 12 months prior to nomination and election. If you are interested in running, complete a Candidate Declaration Form, available on the Monitor’s website at www.uawmonitor.com/elections, and submit to the Monitor.

For more information about the Election, and to review the Rules and access corresponding forms, please visit the Monitor’s website at www.uawmonitor.com/elections. The Rules contain important details such as rules and requirements around campaigning, campaign finance, anti-retaliation, and election protests.

2026 UAW INTERNATIONAL OFFICER ELECTION: IMPORTANT DATES & DEADLINES

Spring 2026: Prospective Candidates may submit Candidate Declaration Forms and undergo the Monitor’s vetting process to run for UAW International Office.

June 15-18, 2026: The 39th UAW Constitutional Convention to be held at Huntington Place in Detroit, MI, where delegates will nominate individuals to run for UAW International Office.

July 10, 2026: Deadline for all Slate Declaration Forms to be submitted to the Monitor.

July/August 2026: 2026 UAW International Officer Election Candidate Forum(s) to be held.

On or about August 21, 2026: First distribution of mail-in ballots distributed to the Electorate.

August 26, 2026: First date when requests for replacement ballots may be made.

September 23, 2026: Final date by which replacement ballots can be requested from the Election Vendor.

September 30, 2026: DEADLINE by which members MUST be in good standing in order to have their vote counted in the Election.

October 5, 2026: DEADLINE for all return ballots to be received by the designated U.S. Post Office or Postal Facility.

October 6, 2026: Vote tabulation begins.

October 2026: Victors of International Officer races will be sworn-in.

AS SOON AS POSSIBLE, PLEASE PROVIDE OR CONFIRM YOUR MAILING AND E-MAIL ADDRESS INFORMATION TO YOUR LOCAL UNION OR COMPLETE THE FORM ON [HTTPS://MYINFO.UAW.ORG](https://myinfo.uaw.org) AND ADVISE YOUR FELLOW MEMBERS TO DO THE SAME. IF YOU ARE A NEW MEMBER WHO HAS RECENTLY JOINED THE UAW, YOU MUST MAKE SURE YOUR LOCAL UNION HAS YOUR INFORMATION.

IF YOU ARE NOT PRESENTLY IN GOOD STANDING WITH THE UNION AND WISH TO PARTICIPATE IN THE ELECTION, IT IS YOUR RESPONSIBILITY TO IMMEDIATELY REMEDY THAT SITUATION, INCLUDING CURING ANY DUES DELINQUENCIES, TO HAVE YOUR VOTE COUNTED.

For more information about the Election, and to view the Rules and access corresponding forms, please visit the Monitor’s website at www.uawmonitor.com/elections.

Please direct all inquiries to UAWMonitor-Election@jenner.com or 212-303-2529.
