Dear Brothers & Sisters,

In 2019 all of our Local 14 seniority laid off brothers and sisters will be back to work. We will also be adding new people to the plant. They will come from NEPC and will be laid off workers from other facilities.

We would like to thank all of Local 14 UAW Committee Chairs and the members who supported their activities. With the efforts of everyone combined they raised \$10,719.16 for our 89 laid off brothers and sisters. They can pick up their check Thursday or Friday of this week at the hall.

The retirees got busy and collected toys and food to be shared with the laid off workers. That will be available for pickup Thursday and Friday also. Any food or toys left over after Friday will be donated to Toys for Tots and a local food bank.

Once again, we would like to thank all the members of Local 14 for their generosity. It never ceases to amaze us what people can do when we stand together. Going forward I hope we can all stay on the same page and continue to support one another great things happen when we do.

We wish everyone a safe and happy holiday season!

Dennis Earl, President
