Labor Day Parade Cancellation Notice

Unfortunately, due to the increased number of Covid cases, the UAW has canceled our participation in this year's Labor Day Parade. We are concerned about attracting younger people to the event who are not vaccinated. We would feel terrible if one of them got infected because of our involvement. We look forward to being in next year's parade.

In Solidarity,

Tony Totty
President

Jeff King
Shop Chairman

Sue Rodgers
Financial Sec.
