Mark and Rhonda Despoth Wish to Express their Gratitude for Your Support

A letter to the people of TTO and UAW Local 14

Mark and I wish to express our sincere gratitude for the outpouring of sympathy, support and prayers shown to us following the loss of our son Luke.

We thank those who sent cards, flowers, plants, prayer blanket, Nature Corners gift card and the generous donations which have been deposited into the Luke Despoth Memorial Fund. Mark and I always talked to Luke that someday he will make a difference in this world so we will carry out that plan using a memorial fund in his name.

We recently attended mass while out of town and at the end of the homily, the priest read the following poem by an unknown author called "The Folded Page"

Up in the attic of an old house, as raindrops pattered down on the roof,

I sat paging through my old schoolbook.

I came to a page that was folded down. Across it was written in my old childish hand:

"The teacher says we should leave this for now. It's too hard to understand"

I unfolded the page and read it. Then I smiled and nodded my head and said,

"The teacher was right; now I understand"

There are many pages in the book of life that are hard to understand.

All we can do is fold them down and write: "The Master says to leave this for now.

It's too hard to understand"

Then, someday in Heaven, we'll unfold the pages, reread them and say,

"The Master was right, now I understand"

As Luke rejoices in Heaven in his eternal life knowing only pure love, joy & happiness, Mark and I will fold the page in our book of life and leave it for now because it is too hard. When we join him in Heaven, we will then be able to say, "now we understand".

Sincere thanks & God Bless .. Mark & Rhonda Despoth

Instant Help In Life's Unexpected Moments

Recently, a mother accidentally locked her baby in her 2016 Chevrolet Silverado at Sam's Club. Immediately realizing the mishap, she called the local Mobile Police Department who reached out to Bay Chevrolet's Service Manager, Mrs. Peggy Saranthus, to ask for a spare key.

When Saranthus asked the Police Chaplin if the owner's OnStar service was current and she was unsure, she instructed the Police Chaplin to contact OnStar immediately. After explaining the emergency, OnStar instantly unlocked the truck and the baby was found unharmed.

Fortunately, the mother did have an OnStar Basic membership with an active connection. If her OnStar was inactive or disabled, the advisor wouldn't have been able to activate a connection to unlock the doors.

As a reminder, 2011 model year and newer vehicles are eligible for select OnStar services at no cost with no commitment. Push your blue OnStar button and ask an advisor for "Three Years on Us".

With OnStar, you will always have the peace of mind of knowing that no matter where you go, someone is looking out for you. Press the blue OnStar button today and confirm your OnStar connection is active.

Onstar Basic Membership includes:

- Access to remote engine start, door lock/unlock and remote horn and lights through the myChevrolet, myBuick, myGMC and myCaddilac mobile app
- Monthly diagnostic reports and real-time vehicle health alerts
- Dealer Maintenance Notification

Suggest to win!

Has your name been included on a 2017 suggestion?

It's that time of year again when we all have to prepare for another long winter. Wouldn't it be nice if you could somehow have a chance to win a new snow blower? Aren't you dreading the thought of another cold winter and the never ending chore of shoveling all that snow? The suggestion program continues to provide our participants a chance to make that experience less of a burden. This is your opportunity to win a Toro snow blower before the snow begins to fall. The only qualification required for your chance to win is to be sure your name is included on a 2017 suggestion. Submit your ideas on a paper form or electronically by November 3, 2017 to ensure that you're included in these drawings. There will be two winners announced each week leading up to the Thanksgiving Holiday. So Let it Snow, Let it Snow and hope your Suggestion wins you a Toro. If you have any questions, please stop in the Suggestion Office or call Kevin Strouse at 567-225-2994.

Dale Carnegie Classes

When: Tuesday Mornings 11:00 a.m. - 2:30 p.m.
Tuesday Afternoons 4 p.m. - 7:30 p.m.
