at site entry.

2

Have you had close contact with or cared for someone diagnosed with COVID-19 in the last 14 days?

**MAINTAIN SIX FEET DISTANCE**  
from all people while medical  
response is coordinated.

3

Are you awaiting the results of a COVID-19 test?

## UPDATE to COVID-19 entry questionnaire

Effective next Monday, September 14, 2020 you will notice an update to the **COVID-19 Entry Questions**.

Please continue to keep the following in mind:

- Pay attention and be aware of any new symptoms and error on the side of caution.
- If you have any of the symptoms listed, go to medical – even if you think your symptoms might be allergies.
- Remember: Be aware of who you have had contact with and if they have tested positive.
- If you have taken a COVID-19 test, we want to know – medical will assess your situation and determine whether or not you will be permitted to enter.

It is on all of us to have an IT'S ON ME attitude as we work to prevent the spread of COVID-19.

Thank you for following the Safety protocols to maintain everyone safe!

**GM TTO Safety**

## Why change the Entry Questions?

We regularly monitor guidelines from the CDC/WHO and other authoritative sources combined with our own experiences. Recent learnings have led to a change in our Entry Questions.

### **Air Travel and Cruises**

The travel question has been eliminated.

Following COVID-19 Protocols and being aware of symptoms remains important while traveling.

### **Symptoms**

- The COVID-19 symptoms have been updated to align with CDC and are consistent with what we have learned about the virus. The key is to monitor your health daily and report any symptoms.

### **Close Contact**

- Nothing has changed - if you have had close contact with someone who COVID-19, report it.

### **Testing**

- Nothing has changed, and it is required to report if you've been tested.

## Next week is Global Safety Week!

### BE AN ADVOCATE!

As hourly and salaried GM employees, we can be brand ambassadors and encourage our family and friends to consider GM when leasing or purchasing new vehicles. One way to advocate for the products we build is by offering our GM Employee or Supplier Discount.

The **GM Employee Discount** allows us and eligible family members to purchase or lease an eligible, new Chevrolet, Buick, GMC or Cadillac vehicle at a special discounted price below MSRP. This discount is also available for retired and former hourly or salaried GM employees, as well as widows and widowers of former GM employees.

The **GM Supplier Discount for Friends** allows active and retired GM employees to extend the same discount that our suppliers receive to cousins, friends or neighbors not eligible for your GM Employee Discount. All eligible employees and retirees can request one GM Supplier Discount for Friends authorization number per month.

Visit [www.gmfamilyfirst.com](http://www.gmfamilyfirst.com) to learn more about all discounts and programs available.
