Spring Suggestion Promotion Stihl Pressure Washer Winners Last Week to Qualify for the Final Drawing

Your suggestion participation in 2018 automatically qualifies you for a chance to wash away the winter with your own American made Stihl brand Pressure Washer. The Suggestion Activities will conduct one final drawing next week to announce the final two winners. That makes a total of six winners of the Stihl RB

Dirt Boss Pressure Washer, valued at over \$550. The only qualification required to be included in these drawings is to be a participant on a suggestion that has been submitted sometime in 2018. If you have not been included on a suggestion yet, now is your last chance. There is no high pressure in trying to win this prize. Let your suggestions help make spring cleaning a wash this year. Don't miss your chance to make a splash. Your 2018 suggestion participation could really be a blast!

Oak Tree Sapling Giveaway for Arbor Day

Arbor Day, April 27, is celebrated nationwide to recognize the importance of trees to improve our air, clean our water and provide food and shelter for wildlife.

GM has partnered with Living Lands and Waters on their Million Trees project. Living Lands and Waters has provided approximately 20,000 Oak tree saplings for GM to give away. GM Toledo will be giving away 700 saplings at the main entrances starting on April 16. Three types of Oak trees will be offered: White, Red and Shumard. **Earth Day April 22, 2018 – Be the Change to End Plastic Pollution**

The theme for Earth Day 2018 is to end all plastic pollution. From poisoning and injuring marine life to disrupting human hormones, from littering our beaches and landscapes to clogging our waste streams and landfills, the exponential growth of plastics is now threatening the survival of our planet. Here are some simple ways that you can BE THE CHANGE:

1. Stop using plastic straws
2. Use reusable shopping and produce bags
3. Give up gum
4. Stop buying bottled water
5. Take a reusable container for your restaurant left overs
6. Use matches instead of disposable lighters
7. Use cloth rather than disposable diapers

Earth Day Events:

April 14, 1PM – 4PM Wayne County, Earth Day Extravaganza at Nankin Mills Interpretive Center

April 14, 11AM – 2PM Monroe County, Earth Day Expo at Monroe County Community College

April 21, 10AM – 4PM Lucas County, Party for the Planet at the Toledo Zoo accepting recyclables

April 22, 12PM – 4PM Washtenaw County, Earth Day Festival at the Leslie Science & Nature Center

April 22, 2PM – 4PM Wood County, Community Earth Day Celebration at the Montessori School of BG
