

WORKERS' MEMORIAL DAY

April 27
2018

This year UAW and GM are asking each facility to observe Workers' Memorial Day on Friday, April 27, 2018. The purpose of this day is to honor the memory of workers who have either lost their lives or have been injured from work-related incidents. It is also an opportunity to promote and heighten the awareness of safety inside and outside the workplace.

In observance of Workers' Memorial Day, the following activities are to be scheduled at all UAW-GM represented locations.

- The UAW-GM Center for Human Resources Health and Safety Department produced a Workers' Memorial Leadership video that is to be shown to all UAW-GM employees on Friday, April 27, 2018.
- Flags are to be flown at half-staff on April 27, 2018.

Toledo will observe a Moment of Silence in memory of all those who lost their lives on the job.

The Heat is on for Your Suggestions

More chances to win with Your Ideas

Congratulations to our six winners of the Stihl Pressure Washers during our spring promotion. But wait, we're just starting to get warmed up. Your participation in Suggestion Program allows you yet another chance at winning. The summer months are almost here, so it's time to turn up the heat and start grilling you for those hot ideas. This is your chance to enjoy the great outdoors while barbecuing on your new Broil King Grill. This event starts next week and will take place each Monday with the final drawing happening just before the Memorial Day weekend. There will be a total of eight winners receiving a Broil King Signet 320B LP grill valued at \$500. The only qualification required to be included in these drawings is to be a participant on a suggestion that has been submitted sometime in 2018. If you have not been included on a suggestion yet, now is the time. We will have drawings on successive weeks starting on April 30th through May 21st. Your 2018 suggestion could be the thrill that makes you the Broil King of the grill.
