Spring Suggestion Promotion Win a Stihl Pressure Washer

It's time once again to recognize our employees for their participation in the UAW-GM Suggestion Plan. This is your chance to win some great prizes just by submitting a suggestion for the year. We're beginning this year offering a new prize item specifically for those spring cleaning projects.

Your suggestion participation in 2018 automatically qualifies you for a chance to wash away the winter with your own American made Stihl brand Pressure Washer. Beginning next month, the Suggestion Activities will conduct drawings each week to announce two new winners. There will be a total of six winners of the Stihl RB Dirt Boss Pressure Washer, valued at over \$550.00. The only qualification required to be included in these drawings is to be a participant on a suggestion that has been submitted sometime in 2018. If you have not been included on a suggestion yet, now is the time. We will have drawings on successive weeks starting on April 9th through April 23rd. There is no high pressure in trying to win this prize. Let your suggestions help make spring cleaning a wash this year. Don't miss your chance to make a splash. Your 2018 suggestion participation could really be a blast!

FMLA for Hearing Impaired

What is the procedure for hearing and speech impaired to call off on FMLA?

Employees may call: **877-347-5225**. The number is a line where employees may type questions/responses instead of having to speak to a Sedgwick representative. The number may be found on the header of the initial pages of the Sedgwick documents sent to employees. Employees may use Sedgwick's viaOne express application (an online application) to obtain updated information on a FMLA claim.
