Employee Self Service  
August 2019

Protecting employee information is important to the General Motors payroll team. For security purposes, the access site to the ADP myView portal will be changing when using your computer or phone.

Beginning August 13, 2019 the following 3 methods can be used to access the ADP myView portal to view your paystub.

If you are accessing the ADP myView portal from a Web Browser (i.e. Internet Explorer, Chrome, Firefox, Safari) on a home computer, mobile device or GM computer not on the GM Network:

Type this NEW URL into your browser and bookmark for future logins:

<https://portal001.globalview.adp.com/gvfrmwk3/gm.home#/login>

If you are accessing the ADP myView portal from a GM Network computer (i.e. plant desktop) and have access to the Hourly Communication Channel:

Open Socrates and Click the [HCC Tab](#). On the HCC page, scroll to the bottom of the page and Click New Portal Link.

If you are accessing the ADP myView portal from a GM Network computer (i.e. plant desktop) and do not have access to the Hourly Communication Channel:

Open Socrates: <https://socrates.gm.com>

Type this NEW URL in the Search Field (upper right corner) and press Enter.
