Key 4 End of Year Safety Message

We are at a very exciting time of the year. The Holidays! We all look forward to spending time with friends and family as we end our year and look forward to 2018. We wish all of you a great and wonderful Holiday Season!

Please take a few minutes to reflect on how important those loved ones are to you and how important you are to them also.

If you are traveling, don't take unnecessary risks and please make sure you are looking out for each other.

- Take a few minutes to plan your drive and the stops along the way if you are traveling.
- Stay alert when traveling and be prepared for any emergency you may encounter. Charged phones, Flashlights, blankets and water are good items to have on a long trip.
- Don't text and drive.
- Don't drive under the influence

If you are staying at home, be prepared for visitors. Make them feel safe

- You are responsible for your guests' safety.
- Make sure your first-aid kit is stocked and ready to go.
- Make sure you monitor the activities of all the guests at your home. Little ones can be very busy during all the excitement.
- Elaborate fireworks are for the pros. Fireworks should be skill and age appropriate. Do you have a fire extinguisher just in case you need one?

We look forward to seeing you in the New Year!
