UAW-GM Negotiations Update

Team –

Since the UAW-GM Handshake in July, our negotiations team has been talking to the UAW leadership with the objective of building a stronger future for employees and the company.

On Sept. 3, 2019, the UAW has informed GM that they will focus on reaching an agreement with our company before moving on to Ford and FCA. As lead company, we will have the opportunity to set the pattern with the UAW. The current contract expires September 14 at 11:59pm, and while we can't predict how long it will take to reach a tentative agreement, we will work closely with the UAW to reach an agreement that positions our employees and our company for success.

Scott Sandefur

Vice President, GMNA Labor Relations

Cigarette Butt Recycling

Did you know, one of the most frequently littered items in America are cigarette butts? The filters in cigarettes are made of plastic that isn't biodegradable which means they can stay in the environment for years. This form of litter has also been known to start forest fires and enter waterways if not discarded properly. Fortunately, here at GM Toledo, not only can we stop cigarette butts from being thrown away, but we can recycle them! They can be recycled into picnic tables and chairs. Along with recycling them, for every pound of cigarette butts collected, money is donated to a charity of your choosing. To help further our initiative, at the smoking areas, we have set up tall gooseneck smoking receptacles for you to discard your cigarette butts into. Please make sure to not move or sit on the white five-gallon buckets for they are essential to the collection process as well. Discarding your cigarette butts into the receptacles instead of throwing them on the ground can help us keep GM Toledo sustainable.

NOTICE: Plant Renovations

1. WOMEN'S LOCKER ROOM RENOVATIONS

Beginning Monday, 9/9/19, contractors will be working in the mezzanine women's locker room. Work will consist of wall painting, installation of (2) wall mounted oscillating fans, and a shelf in the shower area. The locker room WILL BE CLOSED for this work to be performed. If you have any items in your locker(s) that you need, please remove by Sunday, 9/8. 8.

We will also need owners of all the posters to remove from the walls (if they are keepsakes). Duration of work is tentatively 1 week. Plan is to re-open by Monday 9/16.

We will have signs posted with contact names and phone numbers.

Thank you.

2. WEST ENTRANCE WALKWAY RENOVATIONS:

Beginning Monday, 9/16/19, contractors will be working at the West entrance walkway. Work will consist of installing a non-skid floor at the top of the escalators, and cleaning of walls and stairway fencing. This work is going to be performed during weekdays. There will still be access to and from building, although some inconvenience to pedestrians. There will be signs posted showing directions of traffic daily, with contact names and numbers. Project is tentatively scheduled to take 2 weeks. Plan is to be completed for full pedestrian access by Monday, 9/30.
